## About real estate

Introducing a new residential project in Premantura, in the middle of Croatian Istria. The chamber project in the stunning surroundings of Kamenjak National Park, just a short walk from the beach, offers a total of 6 luxury apartments, each 3+kt. The ground floor apartments have a spacious garden and private pool. The apartments on the upper floors offer spacious terraces.

Here you will discover a world of elegance and tranquillity, perfectly harmonised with the breathtaking Kamenjak nature reserve. For the truly spectacular beauty of Kamenjak and its rich fauna and flora, it has been declared a protected area. It is an ideal environment for lovers of various water sports - diving, fishing, surfing. The beautiful beach is just a five-minute walk away.

The project is scheduled for completion in the first quarter of 2026.

For more information about the project and the availability of the apartments, please contact us.
