The space can also be further customized according to the tenant's individual requirements.

Prices start at €17.99/m², and the offices are available for immediate occupancy.

The complex offers top-tier services, including a reception and Business Concierge services at the level of a five-star hotel. Tenants can enjoy a modern fitness center, BodyBody, as well as a running track and a spacious green rooftop terrace, which provides a unique space for relaxation and informal meetings. The building also features a luxury restaurant, cafes, and a wide range of business services. Underground parking with electric car charging stations is also available. The entire complex is barrier-free and allows pets.

The complex is excellently connected to the public transportation network, including trams, trains, and buses.
