## About real estate

We offer for rent a unique office unit in an office building in the centre of Prague on Wenceslas Square, in class A standard with a combination of historical facade and modern interior.

The office space is accessible by a separate entrance directly from Wenceslas Square. The entire building is built to a high quality and has an attractive design and in 2012 successfully underwent extensive renovation resulting in first-class interiors. These include stucco ceilings and parquet floors in the historic part of the building, mineral ceilings in the courtyard-facing parts of the building, opening windows, air conditioning, reception, 24-hour security, card access and professional property management.

Within walking distance are the metro stations Můstek (lines A and B) and Muzeum (lines A and C). The benefit is great accessibility by car and all amenities in the area, including restaurants, shops, banks, hotels, etc.
