## About real estate

We offer for sale designer apartment 2+kt with living area of 39,1 sqm with garden with terrace of 39,8 sqm in unique development project Garden Lofts in Pechlátova street, Prague 5.

The apartment is situated on the 1st floor of a new building, the interior includes a hallway, a spacious living room with a kitchenette and a sleeping area and a bathroom with a shower. From the living area there is an entrance to the terrace with its own garden. In addition, the apartment has a separate garden room (31.5 sqm) with connection to water, waste and electricity. The apartment comes with a parking space in the underground garage and a brick-built cellar.

The residence has a private garden (2 495 sqm). It is situated on a sunny slope, which is terminated in the upper part by a wooded area. The different levels will create sufficient privacy for the owners of the apartments and provide the possibility of a variety of uses. On the lower level there is a swimming pool with residence terraces for sitting. In the garden, gazebos with facilities for barbecues, picnics, etc. will promote privacy. The higher levels of the garden offer raised beds for growing vegetables or herbs. The upper level has a fire pit with bench seating. Completely above will be facilities for children with play elements as well as elements for sports.

The house will be built of reinforced concrete frame, complemented by timber structures and solid, high quality insulating glazing. Heating is provided by a central gas boiler and underfloor heating distribution in all rooms. The bathrooms will have designer heating elements. Large-format aluminium windows with triple glazing in an industrial design from the prestigious Austrian window manufacturer Reynaers will be equipped (except for the northern facade facing the street) with aluminium roller shutters. The apartments will include a smart home system. The project offers upscale materials with acknowledged industrial elements, with designer tiles and fittings from Elite Bath in the bathrooms.

The general contractor of the building is SWIETELSKI.

Completion: summer 2023.

It is a green zone, quiet and away from the main Radlická street, from which it is screened by massive original buildings. Accessibility to the city centre is easy, from the residence you can walk in 8 minutes to metro B - Radlická. It is also possible to take trams No. 7 or 21 to the centre, whose stop is again only a few minutes away. When travelling outside of Prague, you can easily reach the Smichov Tunnel and the Prague Ring Road within minutes. There is a network of shops, schools and stores in Smíchov Anděl with cultural stalls, entertainment centres, offices, banks, medical care, etc. The swimming pool with tennis courts, the Kutvirtova playground and the Brabenecký Hill, Dívčí hrady or the nearby Prokopské údolí (Prokop Valley) are just a few minutes' walk away.
