## About real estate

We are pleased to present a stylish 2-bedroom apartment for sale in an exclusive new residential project, beautifully set in a charming bay on Ugljan Island – the pearl of the Croatian Adriatic. This modern six-unit development combines premium standards, privacy, and a harmonious lifestyle just steps from the sea.

The apartment, located on the ground floor, boasts a total area of 99.1 sqm and features two bedrooms, two bathrooms, and a spacious open-concept living area with a kitchen and dining space. The highlight is a 24 sqm private terrace, ideal for relaxing and seamlessly blending indoor and outdoor living.

All units are finished to a high standard with a focus on design, functionality, and comfort. Buyers have the opportunity to customize the interior to their own taste, including the option of a turnkey furnishing package. A beautifully landscaped Mediterranean garden will feature a shared swimming pool for residents. The apartment also includes a designated parking space.

Just a few minutes by boat from the historic city of Zadar, Ugljan is one of the most sought-after destinations on the Adriatic coast. The island offers full amenities, including cafes, restaurants, and traditional markets. Its natural beaches, crystal-clear waters, rugged coastline, and wealth of leisure activities make it an ideal location for those seeking peace, privacy, and inspiration year-round.

Estimated completion: Summer 2026.
