The villa is spread over two floors and includes three separate residential units, providing outstanding flexibility for use as a private holiday retreat or as a well-established property for tourist rentals.

The ground floor features a spacious 77.95 sqm apartment with two bedrooms and an open-plan living area designed for maximum comfort. The first floor consists of two apartments with separate entrances — a two-bedroom apartment of 45.42 sqm and a one-bedroom apartment of 33.54 sqm. Each unit offers a high level of privacy and comfort.

The exterior of the property includes a large paved courtyard with three parking spaces, a modern swimming pool, and a traditional stone fireplace — perfect for outdoor dining and evening gatherings in an authentic Mediterranean atmosphere.

The villa boasts an exceptional location with excellent accessibility — Split International Airport is only 4.6 km away, while the historic center of Trogir, known for its rich cultural and gastronomic offerings, is just a short drive.
