The island of Pašman, located opposite Zadar, is one of the most beautiful and peaceful Croatian islands. Its charm lies in its unspoiled nature, crystal clear sea, and authentic Mediterranean atmosphere. Thanks to excellent boat connections and proximity to the mainland, it is easily accessible. The region offers a wide range of activities, from water sports and gastronomic experiences to cultural trips to nearby historic towns. There are complete civic amenities in the vicinity, making this location ideal for both recreational and permanent living.
