About real estate

For sale building plot in the first row by the sea, offering access to the beach with crystal clear sea and unobstructed views of the open sea on the island of Premuda. Unique location, ideal for building one or more villas, in the tranquility of the island, close to Zadar.

The land is located on the western part in the village of Premuda and is protected against the wind. Premuda offers full amenities, several restaurants and ferry connection to Zadar. The island is especially popular for sailing, fishing and diving.
