## About real estate

We offer for sale an exclusive building plot in the first row by the sea, situated in a quiet bay near the popular resort of Rogoznica. The plot has a total area of 988 m<sup>2</sup>, a regular rectangular shape, a pleasant northeast orientation, and is located in a mixed-use zone, which ensures a wide range of uses.

The unique location right by the sea, close to a natural anchorage for boats and overlooking the crystal clear waters of the Adriatic, makes this offer an ideal opportunity for the construction of a modern villa or high-standard recreational property.

Rogoznica, known for its marina, beautiful beaches, and pleasant climate, is only a few minutes' drive away. The surrounding area has a peaceful atmosphere, ideal for a private vacation or luxury residential project.

This location offers a unique combination of sea views, infrastructure accessibility, and investment potential.
